BROWNSTONE

BROWNSTONE

The magic of a Brownstone installation is in the rich variation of its glazes and surfaces. Applied over a layer of red clay these glazes capture that warmth and allow it to radiate through on the edges of each tile and the ridges and high points of the textures.

The Brownstone series is In Stock which allows most orders to be shipped within 5 business days.

- There are 4 glaze colors available; Gloss White, Matte White, Matte Warm Gray and Matte Cool Gray.
- The 2x8 Field has 3 surface options; Smooth, Brick and Raked
- Mosaic Diamonds are available either loose or face mounted in your choice of 3 patterns
- Mini Quarter Round and Cap trims are sold by the piece

Brownstone's sophisticated palette, textures and trims are perfect for both residential and commercial applications.
